

Restoring hope, transforming lives

All Money donated will go directly to the children at Joy's Centre in Kijoah Village, Uganda. As a primarily volunteer organization, we have minimal administration costs. We are a registered charity with Canada Revenue Agency and are an accredited quality education school with the Government of Uganda. Providing Education to students in Kindergarten through grade 7; we welcome day students and provide living quarters for orphan children.

Through partnerships with Rotary International and Governments in both Canada and Uganda we have successfully completed a major holistic project giving our school and surrounding community access to water, as well as sanitation and hygiene projects. We pride ourselves on good governance and accountability to our community and partners.

Thank you for seeing our vision and supporting our children. -Maureen Torr (Founder)

AGRICULTURE / FOOD SUSTAINABILITY DONATIONS

Situated on 27 acres of land, our goal is grow as much food as possible for our students. We have a banana plantation, garden area, corn crop, small herd of cows, goats and chickens. Food Sustainability requires on-going input costs & we identified a need for security around the grounds to protect our stored harvest.

INFRASTRUCTURE NEEDS/ CAPITAL COST DONATIONS

Capital costs like building maintenance, developing agriculture land for sustainable growth of food, sporting and fine art equipment. Our current focus is on a creating a health center which will serve both school and community through fee for service treatment, health screening and health education.

STUDENT SUCCESS DONATION

Your donation is nourishment these children need to help them flourish. \$35 per month will put food on their table, clothes on their backs, a roof over their heads, a pen in their hand and a smile on their face. Our teachers are our most valuable asset, ensuring their salary is covered each month is paramount.
